

REMARKS

A Notice of Allowance was mailed on April 26, 2005 in connection with the present application. The issue fee for the present application is being paid after the submission of this Amendment After Allowance. In the foregoing circumstances, this Amendment is being submitted pursuant to 37 C.F.R. §1.312.

Along with the aforesaid Notice of Allowance, Examiner Figueroa included an Examiner's Amendment which amended the claims in order to put them in condition for allowance. Applicant's attorney thanks Examiner Figueroa for the entry of the Examiner's Amendment. Applicant's attorney respectfully submits that the amendments presented herein are necessary to correct a few typographical errors within the claims (i.e., Claims 1, 27, 30 and 58) which resulted from the entry of the Examiner's Amendment. Accordingly, entry of this Amendment will require no substantial amount of additional work on the part of the United States Patent and Trademark Office. Accordingly, entry of this Amendment is respectfully requested.

No fees are believed to be due in connection with the filing of this Amendment. If there are any additional fees due as a result of this Amendment, including, without limitation, extension and petition fees, the Examiner is authorized to charge them to Deposit Account No. 50-1402.

Respectfully submitted,
